What This Repository Is

This repository is the **PDF-grade reference specification** of the PlayNAC KERNEL. It is the public-facing canonical record — the document of reference for researchers, implementers, and standards bodies.

For working code, see `ZIP`. For genesis/corpus markdown, see `Proof-of-Work_MD`. For auxiliary R&D, see `Support-Documentation`.

PlayNAC in One Paragraph

PlayNAC — Empirical Realtime Education System Future-Map — is the Game-Theoretic operating layer of New Age Cybernetics. It coordinates Personal, Public, and Private life across a 1,000-Year Future Map using User/GROUP EarnedPaths, BERA resonance metrics, and the

SCALULAR certification architecture. The KERNEL is the minimal specification from which GiantERP (Earth Resource Planner), FAVORS/CBGMODD (federated governance data), and SECUIR/VERTECA (Matter-domain subsystems) are composed.

Governing Formula

```
C = R × P / M              (Cybernetics = Resource × Purpose / Method)
M × E + C = R              (Matter × Energy + Constant = Reason)
REAL = (E·M·R) / (T·S)     (Energy · Matter · Resonance / Time · Space)
```

KERNEL Components

Component	Role
PlayNAC Engine	Game-theoretic coordination loop
BERA Indices	ARI, ERI, RHC, RCI measurement
EarnedPath	CPM × WBS + PERT progression
UBIMIA	Universal Basic Income + Merit, Investment, Awards
SCALULAR	HEALTH (SSHP) / LAW (SSLA) / PROTECTION (SSPS) / SKILLS-TRADE (SSST); Tier 1 = SSSC
SROC	Smart-Resonant Offset Contracts
SECUIR	Silent Energy Circular Universe Infinite Rotation (Matter domain)
VERTECA	4D+ Visual Work/Meeting Space (Matter domain)
FAVORS / CBGMODD	Federated resource + governance (Energy domain)
SPT Triad	Security, Privacy, Trust (`ERES-SPT-2026-001`)

BEST / SOUND / GOOD Trilogy Mapping

The KERNEL underwrites the ERES Trilogy:

- **Book 1 — ONE GOOD** · Synthetic AI Constitution Through UBIMIA · *Personal*
- **Book 2 — SECURITY-CLEARANCE** · IDIPITIS Framework for NBERS · *Public-Private*
- **Book 3 — DATA-INTEGRITY** · FAVORS for CBGMODD GAIA SOMT · *Graceful Evolution*

MIEVM Validation

The KERNEL specification and its Executive Order companion (`ERES-EO-DRAFT-2026-001`) have been scored across the Multi-Instrument Ensemble Validation Method:

Instrument	Score
Claude	8.77
Grok	10 / 10
DeepSeek	9.8 / 10
ChatGPT	Part of ensemble

How to Read This Repository

1. Start with the top-level KERNEL PDF(s) — canonical specification.
2. Cross-reference supporting specs in `Support-Documentation`.
3. Consult `Proof-of-Work_MD` for originating markdown corpus and historical prior art.
4. For implementation, move to `ZIP`.
