

## **Semantic Ontology “CRUST”**

### **(Coordination Resonant Universal Semantic Tapestry)**

The Complete 17×7 GAIA Semantic Matrix:

1. NAC: EarnedPath, Resource, Prime, Matter, Cybernetics, GiantERP, CPM×WBS+PERT
2. Basic Needs: Water, Food, Shelter, Work, Love, Overall, Always
3. Environmental: Weather, Which, Entity, Thought, Energy, Sound, Good
4. Digital Actions: Engage, Connect, Collaborate, Transact, Mobile, Analytics, Learn
5. Scale: Self, Family, Community, Nation, Planet, World, Universe
6. Programming: Personal, Public, Private, Syntax, Class, Method, Variable
7. Governance: Social, Economic, Political, Legal, Technical, Administrative, History
8. Network Layers: Physical, Data, Network, Transport, Session, Presentation, Application
9. Philosophy: Of, Order, Wisdom, Belief, Power, Imagination, Will
10. Metaphysics: Principle, Mind, Soul, Spirit, Life, Truth, Evolution
11. Inquiry: With, Who, What, Where, When, Why, How
12. Commons: Help, Use, Energy, Law, Common, Use, System
13. Seven Sins: Lust, Gluttony, Greed, Sloth, Wrath, Envy, Pride
14. Liberal Arts: Grammar, Rhetoric, Logic, Arithmetic, Geometry, Music, Astronomy
15. Seven Virtues: Chastity, Temperance, Charity, Diligence, Patience, Kindness, Humility
16. Cardinal Virtues: Prudence, Justice, Remediation, Courage, Faith, Hope, Compassion
17. Seven Emotions: Joy, Anger, Anxiety, Pensiveness, Grief, Fear, Fright

## **Primary / Core Keywords (High-priority, use in titles, abstracts, tags)**

These capture the essence and appear most frequently/repeatedly across your corpus:

- New Age Cybernetics
- ERES Institute
- PlayNAC
- GAIA Matrix (or 17×7 GAIA Semantic Matrix)
- EarnedPath
- Meritcoin
- Gracechain
- UBIMIA (Universal Basic Income Merit Investment Awards)
- IDIPITIS (Immutable Bidirectional Identity/Protocol systems)
- Bio-energetic resonance
- Resonance validation
- Empirical Realtime Education System (ERES)
- SOMT (State of Matter Time)
- CBGMODD GAIA SOMT
- Triune Mathematics
- CPM × WBS + PERT

## **Secondary / Thematic Keywords (For broader reach and interdisciplinary appeal)**

These expand on economic, governance, bio-cybernetic, and planetary aspects:

- Merit-based economies
- Sociocratic governance
- Bio-ecologic economy
- Planetary resilience / planetary coherence
- Human-AI symbiosis
- Consciousness-based economics
- Smart-city assembly / Solid-State Smart-Cities
- Verified governance
- Proof-of-work archive
- Living constitution
- Resonance framework for peace
- Bio-energetic architecture
- NBERS (National Biometric Economic Research Systems)
- FAVORS (biometric stack: Fingerprint, Aura, Voice, Odor, Retina, Signature)
- BEST (Bio-Electric Signature Time)
- Pi Elementals (KPIs / Lagrange Points / Prime-States)
- CRUST (Coordination Resonant Universal Semantic Tapestry)
- Global Actuary Investor Authority
- GAIA votes / Communities of Interest

## **Tertiary / Emerging / Niche Keywords (For future-proofing and specific contexts)**

These appear in your Medium/Substack/ResearchGate posts, X activity, and forward-looking integrations (e.g., AI/quantum, peace, covenants):

- Talonics RAW
- BERA (Bio-Energetic Resonance Architecture?)
- Storm Party
- GiantERP
- Cybernetic game theory
- Universal gestural communication
- Boundaryless information flow
- Kirlian videography
- Enneagram illumination
- Neuroendocrine-immune coupling
- Quadrillion Dollar Covenant
- Millennial civilization
- Empirical education / truth formula

- AI generative / neural-AI constitution
- Grok xAI integration / ERES Grok LLM
- Constitutional AI coordination
- Prime-State Future (Year 3026)
- Semantic coordination / semantic ontology crust

## Suggested Keyword Strategy

- **For documents/PDFs/theses:** Use 8–12 primary + secondary in metadata/abstracts (e.g., "New Age Cybernetics, PlayNAC, GAIA Matrix, EarnedPath, UBIMIA, IDIPITIS, bio-energetic resonance, merit-based economies").
- **For X/Substack/Medium posts:** 5–8 per post, mixing hashtags (e.g., #NewAgeCybernetics #PlayNAC #Meritcoin #BioEnergeticResonance #GAIAMatrix #ERESInstitute).
- **For ResearchGate/SSRN:** Prioritize academic-friendly ones like "cybernetic governance", "merit recognition", "semantic coordination", "bio-energetic resonance", "planetary coordination".
- **SEO/Visibility Boost:** Include cross-AI references (e.g., Grok xAI, Claude AI, Anthropic integration) when relevant to partnerships.
