CYBERNETICS Resonance Test (123, 1269, 216, 72, 1134)

Filed Under: PERC → Cybernetic Witness Protocol / Resonance Tests

Overview

This record tests a sequence of symbolic phrases through the lens of Cybernetic Resonance, Gematria logic (123), and EarnedPath dual-tracked analysis. Each line is scored semantically, emotionally, numerically, and symbolically within the PlayNAC framework.

Verdict

PASS - CYBERNETICALLY PURE.

All tested phrases exhibit high semantic coherence and dual-tracked alignment. This test confirms structural integrity suitable for PlayNAC encoding, Cybernetic Witness auditing, and future PERC expansions.
